

HEALTH & WELLNESS

A list of health resources at CSUF and in the Fullerton area

International Student Services | California State University, Fullerton

Required Health Insurance

Cal State Fullerton requires all international students to purchase and maintain valid health insurance.

In general, your health policy will help you cover the following expenses:

- Visits to the doctor, hospital or urgent care
- Unexpected illness and/or injuries
- Medicine
- Medical evaluation
- Repatriation

Health Insurance Card

Make sure you carry your health insurance card with you at all times in case something happens to you and you require medical attention. If you cannot provide proof of health insurance at the time of service, you may be expected to immediately pay for expenses that incur with your own funds.

CSUF Student Wellness Center

When possible, please use the on-campus Student Wellness Center for services and referrals. The Student Wellness Center is located on the CSUF campus and provides most medical services at little to no charge to students.

Urgent Care

An urgent care clinic provides medical services to treat an illness or accident which is not life threatening but cannot wait for a scheduled doctor's appointment during regular office hours. You should go to urgent care, for example, if the Student Wellness Center is closed or is booked for appointments. Services at urgent care centers are available during regular office hours, in the evening and on weekends.

Emergency Services

In the event of a life-threatening illness or accident, **call 911**. Emergency situations can include difficulty breathing, chest pains, life threatening allergies, severe bleeding, head trauma, loss of consciousness, sudden loss of vision or blurred vision.

The operator will assess the situation and, if needed, an ambulance will be called to take the injured person to the nearest hospital emergency room. Alternatively, you may also decide to go to the emergency room with the help of a friend.

Emergency room services are available every day of the week, 24 hours a day. If you decide to use the emergency room of a hospital for a non-emergency treatment, you will have to pay higher fees for services. Fees for the ambulance will also be charged if you use them.
