</table>
## Binomial Name | Common Name | Plant Type | Size | Growth Rate | Exposure | Water | Pot? | Description | Size | Price  
--- | --- | --- | --- | --- | --- | --- | --- | --- | --- | --- 
Euphorbia xanti | Baja Spurge | Perennial | 6’ H x spreads by rhizomes | Fast | Full sun to part shade | Infrequent | x | An interesting fast growing openly-branched deciduous evergreen shrub. | 1 gal. | $10.50  
Fallugia paradoxa | Apache Plume | Perennial | 3-6’ H x 3’ W | Moderate | Full sun | Drought tolerant | x | Recommended with other desert plants such as Apricot Mallow and Fairyduster. Drought and heat tolerant. | 1 gal. | $10.50  
Festuca californica | California Fescue | Grass | 2’ H x 2’ W | Fast | Full to part sun | Drought tolerant | x | Robust perennial bunch grass with beautiful blue-grey foliage. Nice in masses or as an accent. Hardy and fast growing. | 3 in. | $4.50; 1 gal. | $10.50  
Galvezia juncea ‘Punta Banda’ | Punta Banda Bush Snapdragon | Perennial | 5’ H x 5-6’ W | Fast | Full sun | Drought tolerant | x | The contrast between the tiny green leaves, lime green arching stems and the bright red flowers make this an interesting addition to any native plant garden. | 1 gal. | $10.50  
Galvezia speciosa ‘Firecracker’ | Firecracker Island Snapdragon | Shrub | 2-3’ H x 3’ W | Fast | Part sun to part shade | Drought tolerant | x | Tolerates clay, salt, wind. Deep soak occasionally for lusher growth. | 1 gal. | $10.50  
Gaura coccinea | Scarlet Beeblossom | Perennial | 8-20” H x 4’ W | Moderate | Full sun | Drought tolerant | x | Prefers to grow in dry flats and slopes. Winter dormant. | 1 gal. | $10.50  
Grindelia camporum | Common Gumplant | Perennial | 1’ H x 2’ W | Fast | Full sun | Drought tolerant | x | Likes full sun, and can tolerate deer, and will grow in salty soil. | 1 gal. | $10.50  
Grusonia parishii | Matted Cholla | Cactus | 1’ H x 6” W | Moderate | Full sun | Drought tolerant | x | Spines often completely cover the dark green stems, making the plant appear lifeless, hence one common name of dead cholla. | 3 in. | $5.50  
Hesperoyucca whipplei | Chaparral Yucca | Shrub | 4’ H x 5’ W | Slow | Full sun | Drought tolerant | x | The plant takes several years to reach maturity and flower, at which point it usually dies. Then a cluster of clones around its base continue to grow and reproduce. | 4 in. | $5.50; 1 gal. | $10.50  
Heuchera maxima | Channel Island Coral Bells | Perennial | 2’ H x 2’ W | Fast | Part shade | Occasional | x | Dark green leaves are lightly marbled and often red tinged in winter. Clusters of pinkish-white flowers on intricately branching stems emerge in the spring. | 1 gal. | $10.50

## Plant Sale Availability

### Binomial Name | Common Name | Plant Type | Size | Growth Rate | Exposure | Water | Pot | Description | Size | Price
---|---|---|---|---|---|---|---|---|---|---
**Brachychiton discolor** | Lacebark Tree | Tree | 40-65’ H x 30’ W | Fast | Full sun to part shade | Moderate | Adapts well to a variety of climates. Has a spreading crown and grey colored bark with a slightly swollen bottle trunk. | 1 gal. | **$12.50**
**Bromelia balansae** | Heart-of-Flame Bromeliad | Bromeliad | 2-4’ H x 2-4’ W | Fast | Full sun | Moderate | An excellent houseplant that can withstand more neglect than almost any other plant. | 4 in. | **$5.50**
**Bulbine alooides** | Aloe Bulbine | Succulent | 1-2’ H x 1-2’ W | Fast | Full sun | Occasional | Resembles Aloe in appearance, but with soft, fleshy leaves and tuberous roots. | 4 in. | **$5.50** 1 gal. **$10.50**
**Bulbine frutescens** | Stalked Bulbine | Succulent | 1-2’ H x 1-2’ W | Fast | Full sun | Occasional | Yellow flowers are 6-petaled and star-like with frilly yellow stamens on long stalks that rise above the foliage in the spring and summer. | 1 gal. | **$10.50**
**Cantua pyrifolia** | Cantua pyrifolia | Shrub | 8’ H x 6’ W | Moderate | Full to part sun | Moderate | Rare evergreen shrub native to Ecuador and Peru. | 1 gal. | **$10.50**
**Cantua volcanica** | Cantua volcanica | Woody perennial | 3’ H x 4’ W | Fast | Full to part sun | Moderate | Evergreen woody perennial native to Peru. Interesting narrow, lobed leaves and abundant periwinkle flowers. | 1 gal. | **$10.50**
**Carex divulsa** | Berkeley Sedge | Grass | 12-18” H x 6-12” W | Fast | Part shade | Moderate | A good solution for areas under stress where lawn grasses often fail. The flowers are not particularly noteworthy. | 1 gal. | **$10.50**
**Cheirolophus canariensis** | Purple Powder Majesty | Perennial | 2-4’ H x 1-2’ W | Fast | Full to part sun | Regular | A rare perennial with pale purple flowers native to the Canary Islands. | 1 gal. | **$10.50**
**Crassula perfoliata var. falcata** | Airplane Plant | Succulent | 2-3’ H x 2-3’ W | Moderate | Sun or shade | Infrequent | Attractive and interesting when not in bloom but a show stopper when the bright red flowers emerge. | 4 in. | **$6.50**
**Cuphea micropetala** | Candy Corn Plant | Shrub | 1-3’ H x 1-3’ W | Fast | Full sun to part shade | Moderate | A tireless bloomer best known for its small, tubular flowers, each colored in vivid orange hues and tipped with white, like the ash on a glowing cigar. | 1 gal. | **$10.50**
**Dracaena draco** | Canary Island Dragon Tree | Tree | 15-25’ H x 15-25’ W | Slow | Sun or shade | Infrequent | An attractive and interesting succulent tree. | 1 gal. | **$12.50**
