Beefsteak	Amazon Chocolate	I	heirloom	80	chocolate brown	8-14 oz.			A wonderful flavored, richly colored tomato, this black will get to beefsteak sizes.
Beefsteak	Aunt Ruby's German Green	I	heirloom	80	green	12-16 oz.			Large green beefsteak with a pink and yellow blush. Sweet, spicy and delicious. Good for salads and salsa.
Beefsteak	Ball's Beefsteak	I	hybrid	76	red	8-12 oz.	VFFT		Tomatoes mature early and stand up to disease. Great old fashion flavor. Wonderful sandwich tomato.
Beefsteak	Beefmaster	I	hybrid	80	red	2 lb.	VFNASt		Large yields of large meaty tomatoes. Few seeds.
Beefsteak	Beefsteak	I	heirloom	80	red	2 lb.	VFN		Beefsteaks are always grown for their flavor and size for slicing and summer sandwiches. Outstanding flavor carries hints of melon.
Beefsteak	Better Boy	I	hybrid	75	red	1 lb.	VFNASt		One of the most popular tomatoes grown. Excellent flavor.
Beefsteak	Big Beef	I	heirloom	70	red	1 lb.			1994 AAS winner. Rare! Open-pollinated version of an American favorite. These giants slice up perfectly for big sandwiches. Fruit stays large even at the end of a long harvest season.
Beefsteak	Big Boy	I	hybrid	78	red	1 lb.			Vigorous plants with heavy fruit and excellent taste.
Beefsteak	Big Zebra	I	hybrid	85	bi-color	1+ lb.			The appearance is so striking and different. Great tasting mild flavor and nice sweetness.
Beefsteak	Brandywine Black	I	heirloom	90	purple/black	1 lb.			Excellent taste for slicing, salads, and canning.
Beefsteak	Brandywine Pink	I	heirloom/OP	80-100	pink	1-1 1/2 lb.			Great taste and heavy production. One of the best tasting tomatoes around.
Beefsteak	Brandywine Red	I	heirloom	85	red	12 oz.			Heirloom dating back to 1885. Large, deep red fruits, with robust flavor.

Tomatoes

Type	Variety	Growth Habit	Heritage	Days	Fruit Color	Fruit Weight	Disease Resistance	Pot?	Description
Beefsteak	Chef's Choice Orange	I	hybrid	75	orange	9-12 oz.	T		2014 AAS winner. A stunning and delicious update of the old heirloom favorite Amana Orange that ripens quicker, but keeps all the rich flavor of the heirloom variety!
Beefsteak	Cherokee Chocolate	I	heirloom	69-80	purple/black	10-16 oz.	FV		Large fruit; wonderful flavor. Excellent slicing tomato. Perfect for sandwiches.
Beefsteak	Cherokee Purple	I	heirloom/OP	69-80	purple/black	12-16 oz.	F		Deep violet color, intense rich flavor. One of the best tasting!
Beefsteak	Church	I	heirloom/OP	80-90	pink	1 lb.			This tomato has a rich full tomato flavor. It produces so many tomatoes that you may need to use some to make a rich sauce. Excellent for salads and sandwiches.
Beefsteak	Emerald Apple	I	heirloom/OP	85	green	1-1 1/2 lb.			This tomato has green fruits spangled yellow at maturity full-flavored tart and sweet.
Beefsteak	Ferris Wheel	I	heirloom/OP	90	pink	1 lb.			Large fruit with fantastic sweet flavor. Great taste and yields.
Beefsteak	Goliath	I	hybrid	65	pink	10-15 oz.	VFNTAST		Strong, vigorous plants with large yields. Classic beefsteak taste with few seeds.
Beefsteak	Italian Giant Beefsteak	I	heirloom/OP	85	red	1-2 lb.			This blockbuster of a beefsteak was brought over from Italy over 80 years ago, and still rules the garden for sheer size, with some fruits growing larger than two fists! A deep red beefsteak-type, with flattened fruits.
Beefsteak	Mammoth German Gold	I	heirloom/OP	85	gold/red	2 lb.			Golden beefsteaks with red streaking. High sugar and acid. Excellent flavor. A good slicer with sweet, mild, fruity flavors.
Beefsteak	Old German	I	heirloom/OP	85	yellow/red	1-1 1/2 lb.			Outstanding flavor and color. Great in salads.
Beefsteak	Persimmon	I	heirloom/OP	69-80	orange	1-2 lb.			Meaty fruit with few seeds. Vigorous plants bear well.

Tomatoes

Type	Variety	Growth Habit	Heritage	Days	Fruit Color	Fruit Weight	Disease Resistance	Pot?	Description
Beefsteak	Pruden's Purple	I	heirloom/OP	67-75	purple/pink	10-16 oz.			Very flavorful fruit that rivals the taste of Brandywine.
Beefsteak	Steakhouse	I	hybrid	75-80	red	1-3 lb.	FV	Y	Because of its large size this is a great sandwich tomato, it fills the entire piece of bread. Perfect for salads, slicing, and sandwiches.
Beefsteak	Ultra Boy II	I	hybrid	68	red	8-14 oz.			Has a rich old-fashioned tomato flavor. Perfect for salads, slicing, and sandwiches. Grows in clusters.
Beefsteak	Watermelon Beefsteak	I	heirloom/OP	75	pink	1-2 lb.			Large oblong fleshy fruit with pink skin and purple red flesh and large fruit.
Cherry	Black Cherry	I	heirloom	65	purple/black	1 oz.			Perfectly round truly black fruit. Sweet, rich and complex. Abundance of fruit.
Cherry	Candyland Red	I	open pollinated	55-60	red	1/4 oz.			2016 AAS winner. Smaller than most cherry tomatoes. Fruits have an excellent sweet flavor and are the perfect size to pop in your mouth to enjoy just like candy straight from the garden!
Cherry	Favorita	I	hybrid	60	red	1/2 oz.	FFNT		Produces loads of round, deep red cherries with fantastic taste on nice long trusses.
Cherry	Ghost Cherry	I	heirloom	75	yellow/white	2 oz.			Fruits have a good, sweet flavor with ample juice.
Cherry	Jasper	I	hybrid	60	red	1/2 oz.	FF		2013 AAS winner. An outstanding disease resistance package results in extended harvests. The small, round fruits have a sweet, rich flavor and a pleasant creamy texture.
Cherry	Orange Pixie	D	hybrid	52	yellow/orange		VFT	Y	18 inch tall plants with 1 1/4" meaty fruit with excellent flavor.
Cherry	Piccolo	I	heirloom/OP	78	red	1/2 oz.			A great tomato for snacking in the garden or from a bowl, or for decorating salads or other culinary creations.

Tomatoes

Type	Variety	Growth Habit	Heritage	Days	Fruit Color	Fruit Weight	Disease Resistance	Pot?	Description
Cherry	Purple Dragon	I	heirloom	65	orange/red/purple	2-3 oz.		Y	A super-productive anthocyanin tomato. Fruits are slightly oval cherry type, dark red striped purple with anthocyanin pigment. The flavor is mild and balanced.
Cherry	Sugar Rush	I	hybrid	50-55	red	1 oz.			Eat fresh for a delicious and nutritious snack. Perfect for grilling on shish kebab skewers. Serve with dip on a vegetable tray.
Cherry	Sun Gold	I	hybrid	57	gold	1 oz.	FVT	Y	Tastes not just sugary, but also fruity and delicious. Vigorous, a real taste treat.
Cherry	Sun Sugar	I	hybrid	62	orange	1/2 oz.	FT		Orange sister to Sun Gold, Very sweet, fruity tasting. Crack resistant. Vigorous.
Cherry	Super Sweet 100	I	hybrid	65	red	1 oz.	VF		Small, round, deliciously sweet fruit high in vitamin C. Long clusters of fruit.
Cherry	Tumbling Tom Red	D	hybrid	70	red	1-2 oz.	FVN	Y	Perfectly sized for snacking and salads. A true ornamental that may seem too pretty to pick, but one sweet bite will have you coming back for more.
Cherry	Tumbling Tom Yellow	D	hybrid	70	yellow	1-2 oz.		Y	Sturdy plants are loaded with juicy, 1-2" fruits perfect for snacking and salads.
Dwarf	Chocolate Lightning	I	heirloom	80	purple/black	4-8 oz.		Y	Rich crimson flesh has intense and well-balanced flavors. Some plants throw out purple/black striped fruits. The vigorous dwarf regular leaf plants are among the taller growing plants of the new dwarf varieties.
Dwarf	Dwarf Firebird Sweet	I	heirloom	75	pink/gold	4-8 oz.		Y	Has a high yield and rich, complex flavor.
Dwarf	Dwarf Pink Passion	D	heirloom	65	pink	4-8 oz.		Y	Pink medium-sized, strongly heart-shaped fruits with delightful, balanced, sweet flavors.

Tomatoes

Type	Variety	Growth Habit	Heritage	Days	Fruit Color	Fruit Weight	Disease Resistance	Pot?	Description
Dwarf	Dwarf Purple Heart	D	heirloom	70	purple	6-16 oz.		Y	Fruits have deep crimson flesh with a delicious, well-balanced flavor. Although fairly large, the fruits also ripen relatively early.
Dwarf	Rosella Purple	D	heirloom	75	pink/purple	6-12 oz.		Y	Flavor is full, intense, balanced and delicious. Perfect balance of meatiness and juiciness.
Grape	Juliet	I	hybrid	60	red	1 1/2-2 oz.			1999 AAS winner. Elongated cherry tomato, high yields. The perfect size for salads or eating whole.
Grape	Morning Light	I	hybrid	70	yellow	1/2 oz.	FV	Y	This variety is great for fresh eating and is an attractive addition to one's garden.
Grape	Sugar Plum	I	hybrid	67	red	3/4 oz.		Y	A unique type of tomato that produces high yields of oval grape shaped tomatoes that are bright red, sweet, and bursting with flavor. Excellent for salads or eating right out of the garden.
Grape	Valentine	I	hybrid	55	red	1/2 oz.			2018 AAS winner. Developed at Penn State University. Redder than most typical tomatoes when fully ripe due to its high lycopene content.
Grape	Yellow Pear	I	heirloom/OP	78	yellow	4-5 oz.			Miniature pear shaped fruit that is delightfully sweet. Continuous harvests.
Oxheart	Heart of Compassion	I	heirloom	80	pink	8-12 oz.			Thin skin, few seeds and a full range of complex, well-balanced, fruity flavors.
Oxheart	Oxheart	I	heirloom	80-90	pink	10-16 oz.			Old fashion, heart shaped, pink fruit. Firm, meaty, solid flesh.
Oxheart	Red Butter Heart	I	heirloom	90	pink	1 lb.			Flesh is very meaty, with small seed locules and very few seeds. Delicious sweet flavor.
Paste	Amish Paste	I	heirloom	85	red/orange	8-12 oz.			Oblong oxheart shaped sweet flavored fruit. A great slicing, canning, and sauce tomato.
Paste	Black Icicle	I	heirloom	80	burgundy/black	4 oz.			Incredible rich taste. Sweet, rich with earthy overtones.

Tomatoes

Type	Variety	Growth Habit	Heritage	Days	Fruit Color	Fruit Weight	Disease Resistance	Pot?	Description
Paste	Chocolate Pear	I	heirloom	65-80	red/brown	7 oz.			Tolerant of a wide range of weather conditions and temperatures. Great for the beginning gardener or for smaller gardens.
Paste	Federle	I	heirloom	85-95	red	3-5 oz.			Banana shaped fruit. Full rich tomato flavor and few seeds. Excellent processing type paste tomato for making paste and heavy sauces.
Paste	Jumbo Roma	I	heirloom	90	red	1 lb.			Large, productive, paste-type fruits, few seeds, and very meaty. A good, dependable sauce tomato.
Paste	La Roma III	D	hybrid	76	red	5-8 oz.	VFFNA		One of the very best Italian type tomatoes.
Paste	Long Tom	I	heirloom	85-90	red	6-7 oz.			A good salad tomato or for eating fresh off the vine.
Paste	Orange Icicle	I	heirloom	70-75	orange				Sweet, rich, flavorful fruit shaped like an orange icicle. Citrus overtones.
Paste	Rocky	I	heirloom	75	red	8-12 oz.			This is an incredibly large paste tomato, with sweet, tangy, meaty fruit.
Paste	San Marzano	I	heirloom	80	red	5-6 oz.			Uniform paste type fruit. Tasty with excellent shelf life. Great fresh or canned.
Saladette	Early Cascade	I	heirloom	65	red	4 oz.			Sets and produces numerous firm, rich red, medium-sized tomatoes.
Saladette	Green Zebra	I	heirloom	75	green striped	3-4 oz.		Y	Unique, delicious salad tomato. Striped fruit is a real taste treat.
Saladette	Jet Star	I	hybrid	72	red	6-9 oz.	VF		The smooth firm fruits almost never scar or crack and have excellent interior and exterior coloration.
Saladette	Pink Tiger	I	open pollinated	70	pink	1-2 oz.			Unique tomatoes that will be sought after for their exceptionally sweet, juicy, tropical flavor.

Tomatoes

Type	Variety	Growth Habit	Heritage	Days	Fruit Color	Fruit Weight	Disease Resistance	Pot?	Description
Saladette	Red Zebra	I	heirloom	93	red striped				Fruits are dark red inside, and brighter fire engine-red outside, with skins streaked by golden stripes. Sweet flavors with a slight acidic finish.
Slicer	Black Giant	I	heirloom	65-70	purple/black	6-14 oz.			Fruit have the perfect blend of acid and sugar. Delicious taste.
Slicer	Bush Beefsteak	D	heirloom	62	red	6-8 oz.		Y	Compact bushy plants yield an abundance of rich red solid fruit.
Slicer	Celebrity	D	hybrid	70	red	8-12 oz.	VFNASt	Y	1984 AAS winner. Exceptional flavorful, firm fruit.
Slicer	Dagma's Perfection	I	heirloom	72	bi-color	12 oz.			Beautiful slightly flattened fruit with delicious, rich flavor.
Slicer	Faribo Goldheart	I	heirloom/OP	81	yellow/orange	4-6 oz.			Sweet flavor with a nice acidic finish. Good tomato for salads or canning.
Slicer	Fireworks	I	open pollinated	60	red	8-12 oz.			The tomato has excellent flavor. Excellent for salads and sandwiches.
Slicer	Golden Girl	I	heirloom/OP	78	gold/orange	8-12 oz.	VFNTA		Tomatoes are meaty and have the perfect balance of acid and sugar.
Slicer	Japanese Black Trifele	I	heirloom/OP	75	purple/black	4-6 oz.		Y	Excellent flavor from a very rare tomato. Smooth fruit with few defects. Superior.
Slicer	Julia Child	I	heirloom/OP	78	pink	8-14 oz.			Deep-pink, lightly-fluted, beefsteak fruits.
Slicer	Lemon Boy	I	hybrid	72	yellow	6-7 oz.	VFNASt		The first lemon yellow, not golden variety. Eye appealing and delicious large fruit.
Slicer	Long Keeper	I	open pollinated	80	red	6 oz.			Hearty plant produces huge amounts of fruit. Popular for it's good taste and long storage ability. Because of slow-ripening qualities fruits become ripe 1-3 months after harvesting.
Slicer	Matina	I	heirloom/OP	58	red	2-4 oz.			Large clusters hold loads of fruit with terrific flavor.

Tomatoes

Type	Variety	Growth Habit	Heritage	Days	Fruit Color	Fruit Weight	Disease Resistance	Pot?	Description
Slicer	Momotaro	I	heirloom/OP	78	pink	6-7 oz.	FVN		Pink with green shoulders. Excellent flavor. An unsurpassable fresh eating tomato, its flavor is an intricate and harmonious combination of sweet and tangy.
Slicer	Oaxacan Jewel	I	heirloom/OP	80	orange/red	6-16 oz.			Medium beefsteak with excellent flavor from Mexico. Productive plants, good yield.
Slicer	Pilgrim	D	hybrid	68	red	8 oz.	VFFA		Smooth tomatoes on compact, vigorous plants. Excellent yields, good flavor.
Slicer	Purple Calabash	I	heirloom/OP	85	purple	9-11 oz.			Uniquely shaped, extremely fluted fruit. Taste described as winey and rich. Delicious fresh, this tomato really shines in sauces and pastes.

Peppers

Type	Variety	Heritage	Days	Color	Pepper Type	Size	Heat Rating (Scovilles)	DR	Pot?	Description
Extremely Hot	7-Pod Infinity	hybrid	90-100	Red	Super Hot	2-4 in. x 1-1 1/2 in.	1257468		Y	For two weeks in 2011, the Infinity was the world's hottest chili pepper until it was overthrown by the Naga Viper.
Extremely Hot	Bhut Jolokia (Ghost Pepper)	hybrid	110-120	Green to orange/red	Super Hot	2 1/2 in.	1041427			Becoming more popular and well-known among chile-heads, the seeds are very rare and hard to find. Legendary variety, one of the world's hottest peppers.
Extremely Hot	Trinidad Scorpion	heirloom/O P	90	Green to red	Super Hot	1-2 in.	1200000			One of the hottest chilies on the planet! Wrinkled, lantern-shaped fruits ripen to a searing red-orange.
Hot	Aji Lemon Drop	heirloom/O P	100	Yellow	Aji	2-3 in.	15,000-30,000		Y	Seasoning pepper from Peru ripens to a clear lemon yellow, sometimes with a dark purple blush. The flavor is a very clean, uncomplicated, slightly citrusy heat. Plants are covered with the thin-walled, conical fruits with very few seeds.
Hot	Anaheim	heirloom/O P	75	Green to red	Chili	7 1/2 in.	500-2,500	TMV		Green Anaheim Chile peppers are defined by their elongated curved lime green pod and their mild, sweet flavor. The skin is waxy, glossy and semi-thick. Inside the pod is a thin white seeded membrane.

Peppers

Type	Variety	Heritage	Days	Color	Pepper Type	Size	Heat Rating (Scovilles)	DR	Pot?	Description
Hot	Aurora	heirloom	60-75	Multi-color	Novelty	1-2 in.	30,000-50,000		Y	Peppers look like Christmas lights and can light up any sort of setting, whether in a garden or on a patio. The beautiful colors may only be a facade but these plants produce some pretty hot peppers!
Hot	Biquinho Red	open pollinated	55-75	Green to red	Piquillo	1 1/2 in.	1000		Y	Small, pointed fruits have a unique, slightly tart flavor with a tiny bit of heat. May be eaten raw or cooked, but are generally pickled in vinegar. Quite popular in Brazil, where they originated.
Hot	Bolivian Rainbow	heirloom/O P	80	Multi-color	Cherry	1 in.	5,000-30,000			Peppers start out a brilliant purple and turn yellow to orange to red, with all stages of the pepper present on the plant at once. The fruit somewhat resemble Christmas lights because of their shape and their bright colors.
Hot	Cayenne Large Red Thick	heirloom/O P	76	Green to red	Cayenne	5-6 in.	30,000-40,000			Concentrated set of wrinkled, very pungent fruit. Useful for sauce and drying. The flesh is twice as thick as other cayenne types. Fruit color is dark green turning to scarlet when ripe. Not as hot as Cayenne Long Red Slim.

Peppers

Type	Variety	Heritage	Days	Color	Pepper Type	Size	Heat Rating (Scovilles)	DR	Pot?	Description
Hot	Chenzo	heirloom/O P	82-85	Black to red	Cherry	3/4 in.	45000		Y	An unusual compact plant that produces lots of jet black chilies. It branches arch into a neat dome and the fruits hang like jewels below the bushy foliage.
Hot	Chile de Arbol	heirloom/O P	80	Green to red	Cayenne	2-3 in.	15,000-30,000			The peppers look similar to cayenne peppers that are long and thin. This pepper is considered superior to many other peppers for its heat and smoky flavor.
Hot	Chilly Chili	hybrid	72	Green to red	Novelty	2 in.	1-1,000			2002 AAS winner. Produces tapered peppers that change from greenish-yellow to orange to red in a continual display set off by lush and attractive foliage. Although peppers are edible, their primary use is ornamental.
Hot	Habanero	heirloom/O P	95	Green to orange	Habanero	1-2 in.	100,000-300,000		Y	One of the most potent hot peppers - 100 times hotter than a jalapeno! Great for hot sauces and basting. Wrinkled, tapered little fruit turn from green to orange. Bear very well in hot weather. Grows well in containers.

Peppers

Type	Variety	Heritage	Days	Color	Pepper Type	Size	Heat Rating (Scovilles)	DR	Pot?	Description
Hot	Hatch Green	open pollinated	85	Green to red		9 in.	9,000-10,000			A perfect chile for those that love Big Jim but want a little more heat. The meaty pods have thick flesh and a lot of heat. Rellenos will be incredible with this pepper. It can be flame roasted for immediate use, and frozen for later.
Hot	Hatch Red	open pollinated	80	Green to red		6-9 in.	6,000-7,000			The thin skin of this variety makes it better than other peppers for dehydration which have thicker flesh. The pods have a spicy chile flavor and matures early and produce well in high temperatures. It has thin walls and dries quickly to make red chile powder.
Hot	Jalapeno Gigantia	hybrid	65	Green to red	Jalapeno	4-5 in.	4,000-6,000			Large plants bear mildly hot, smooth, jalapenos shaped fruit. Good for stuffing, slicing, grilling or making salsa. Fleshier than regular jalapenos. Medium thick walled fruit turns from green to red.
Hot	Jalapeno M	heirloom/O P	75	Green to red	Jalapeno	3 in.	4750			This is the one that you find in the supermarket or in your favorite spicy dish. Although classified as a "hot" pepper, you won't need a fire extinguisher when eating it. A very pleasant and popular pepper.

Peppers

Type	Variety	Heritage	Days	Color	Pepper Type	Size	Heat Rating (Scovilles)	DR	Pot?	Description
Hot	Jalisco	hybrid	58-62	Green to red	Jalapeno	3 x 1 in.	2,500-10,000			A mainstay in Mexican and Southwest US cooking, this plant produces smooth, uniform, blunt, medium-walled jalapenos. Popular in salsas, preserves and nachos and is used as a flavoring in lemonade and vodka!
Hot	Manzano Yellow	heirloom/O P	85	Yellow	Rocoto	3 in. x 3 in.	12,000-30,000			Extremely hot, yellow colored pepper looking much like the habanero. The hottest of the three Manzano peppers, with a scorching heat! This pepper is a rocoto tree pepper relative and is noted for its cold hardiness, as it naturally grows on Andean mountain slopes.
Hot	Minero	hybrid	80-90	Green to red	Guajillo	4-6 in.	1,000-5,000			Guajillo type chile pepper commonly grown in Mexico. Plants grow vigorously with excellent fruit set. Ideal for fresh use or for drying. Fruits mature from dark green to red, are large and smooth with medium pungency.
Hot	NuMex Big Jim	heirloom/O P	80	Green to red	Poblano	up to 12 in.	2500			Sometimes it's nice to venture into less treacherous paths and enjoy flavor over heat. Big Jim has a sublime flavor with just a hint of spice, just a tad more spicy than sweet peppers which is great if you have sensitive dinner company.

Peppers

Type	Variety	Heritage	Days	Color	Pepper Type	Size	Heat Rating (Scovilles)	DR	Pot?	Description
Hot	Pasilla Bajio	heirloom/O P	75-80	Green to brown	Pasilla	7-9 in.	1,000-2,000	TMV		Mild-sweet-hot, fruit is dark green, turning brown as it ripens. This pepper is used in Mexican "mole" sauces. Tasty.
Hot	Pepperoncini Golden Greek	heirloom/O P	85	Green to red	Pepperoncini	4 in.	1-1,000			A high-yielding variety that gives an abundance of sweet, yet tangy peppers. This variety is shorter than the Italian strain and ripen from green to yellow. These are a favorite for both pickling and processing.
Hot	Peter Pepper, Red	heirloom/O P	90	Green to red	Novelty	4-6 in.	10,000-23,000		Y	Once you get past the laughs, there's a pretty significant hot pepper here - hotter than a jalapeno. In fact, it's a terrific alternative to a serrano pepper.
Hot	Poblano L	heirloom/O P	75-80	Green to brown	Poblano	5 in.	600-1,800			One of the most popular and common chiles for use in Mexican cuisines, the Poblano bears heart-shaped fruits. Also known as Ancho when dried.
Hot	Scotch Bonnet, Red	heirloom/O P	120	Green to red	Habanero	1-1 1/2 in.	100,000-350,000		Y	Fruity aroma and blistering heat. A standard in Caribbean cooking.
Hot	Serrano	heirloom/O P	75-80	Green to red		2-3 in.	10,000-23,000		Y	Candle-shaped fruits. Plants are especially well adapted to hot, humid areas. This pepper is growing in popularity for pickling and salsa, and is the pepper of choice for making pico de gallo.

Peppers

Type	Variety	Heritage	Days	Color	Pepper Type	Size	Heat Rating (Scovilles)	DR	Pot?	Description
Hot	Serrano del Sol	hybrid	64-67	Green to red	Serrano	3 in.	5000			Almost double the size of traditional serrano types. Not excessively hot, with a unique flavor some people prefer to jalapenos.
Hot	Stoked	hybrid	60	Yellow to orange/red		5 1/2 in.	2,500-5,000	PVY, TMV		Fruit is conical in shape and tapers to a blunt point. An excellent replacement for Inferno, Volcano or Surefire peppers.
Hot	Tabasco	heirloom/O P	81	Yellow/green to red		1 1/2-2 in.	30,000-50,000	TMV	Y	Incredibly hot with a delicious smoky flavor, this is THE pepper made famous by the Tabasco Brand Pepper sauce. Will thrive in a container as well. Protected from the frost, plants can live for several years.
Hot	Thai Scorpion	hybrid	85	Green to red		2-3 in.	50,000-100,000			Thai peppers are prized for their flavor and heat. These dark green peppers mature to red and are 100% smooth. The umbrella shaped plants protect the fruit completely for sunburn.
Hot	Yellow Mushroom	heirloom/O P	80-85	Green to gold	Super Hot	2 in.	100,000-200,000		Y	Squash-like fruits mature from green to an attractive yellow. This variety is excellent when pickled in combination with the red version of mushroom, and mixed with purple bell peppers.

Peppers

Type	Variety	Heritage	Days	Color	Pepper Type	Size	Heat Rating (Scovilles)	DR	Pot?	Description
Sweet	Aruba	hybrid	65	Green to brown	Cubanelle	up to 10 in.				A cubanelle-type pepper producing unique, elongated, 3 to 4-lobed fruits, with a distinctive flavor that is mildly sweet and fruity with a hint of heat. Perfect for salads and stir-frys. Peppers mature from lime-green to orange to red to chocolate.
Sweet	California Wonder	heirloom	75	Dark green	Bell	4 in. x 4 in.		TMV	Y	Blocky and wide, with crisp, thick walls and sweet taste. Ideal for stuffing, slicing into rings for dips and salad toppings, and chopping into crisp bite-sized nibbles. Delicious raw, stuffed and baked, stir-fried or grilled.
Sweet	Camelot	hybrid	74	Green	Italian Bullhorn	4 1/2 in.		TMV	Y	Specially bred to produce large fruits with a classy shape. Plants produce heavy, firm, 3 to 4-lobed, glossy green fruits with thick, firm walls.
Sweet	Candy Cane	hybrid	60-65	Green to red		3-4 x 1-2 in.			Y	These unique sweet beauties will stand out in gardens. Elongated fruits ripen from green with creamy white stripes to solid red. Thin walls and crispy texture make it perfect for fresh eating at any stage of ripeness. Plants have unusual variegated foliage giving them an ornamental look.

Peppers

Type	Variety	Heritage	Days	Color	Pepper Type	Size	Heat Rating (Scovilles)	DR	Pot?	Description
Sweet	Cornito Rosso	hybrid	60-80	Green to red		1-2 in. x 5 in.				Very early, sweet, and attractive smaller versions of Carmen and Escamillo, with similar maturity. Perfect for grilling and roasting, like their full-size counterparts.
Sweet	Emerald Giant	open pollinated	75	Green to red	Bell	4-5 in.			Y	The thick-walled, dark-green to red peppers have a sweet, juicy taste and crisp texture. Has more vitamin C than an orange. Excellent for salads, stuffing, or baking. Vigorous plants give heavy yields. A good variety for the south.
Sweet	Eros	hybrid	55-75	Green to yellow	Bell	2 x 2 in.			Y	Early golden yellow mini bell. Slightly tapered fruits are sweet and have a slightly fruity flavor. The large, sturdy, and leafy plants protect the fruits from sunscald.
Sweet	Flamingo	hybrid	66	Ivory to red	Bell	3 1/2 in.		TMV		This vigorous, prolific plant has high yields of smooth, slightly tapered, fruits. Waxy skins mature from creamy ivory to orange-red around crisp, sweet flesh, making this a bright choice as a salad pepper.
Sweet	Gemini	hybrid	65	Green to yellow	Lamuyo	5 in. x 3 in.		PVY, TMV		Ultra-sweet, early to mature, and heavy-bearing all season, this pepper is a delight fresh or cooked. The blocky peppers change from green to yellow.

Peppers

Type	Variety	Heritage	Days	Color	Pepper Type	Size	Heat Rating (Scovilles)	DR	Pot?	Description
Sweet	Golden California Wonder	heirloom/O P	73	Green to yellow	Bell	4 in.				Golden-yellow at full maturity, these peppers are thick-walled, meaty and really sweet and tasty. Square shaped fruits grow upright on healthy plants, making harvesting easy.
Sweet	Golden Treasure	heirloom/O P	80	Yellow	Marconi	9 in.				This sweet Italian variety has medium thick flesh and thin skin. The long, two lobed fruits mature to a lovely yellow color. Full of flavor!
Sweet	Lola	hybrid	65	Light yellow to red	Banana	7-8 in.		BLS 0-3, 7-8; TSWV		These mind-boggling plants reach waist-high and produce huge banana-type fruit. The thick-walled, light yellow peppers develop very early and are mild tasting. Great disease resistance means a very high rate of success in the garden.
Sweet	Mellow Star	hybrid	70-80	Green to red	Shishito	3-4 in.		PVY		A wildly popular Japanese snacking pepper, this shishito type has characteristic thin skin and a very mild flavor. The green, deeply wrinkled fruit are typically prepared either stir-fried, pan-fried with a touch of oil and soy sauce, or in tempura.
Sweet	Odessa Market	heirloom/O P	75-85	Yellow/red	Paprika	7 1/2 in.				This pepper comes from the Black Sea city of Odessa in Ukraine. A great tasting, top-shaped pepper that starts out bright green, turning orange and then red. Short plants produce fruit all summer.

Peppers

Type	Variety	Heritage	Days	Color	Pepper Type	Size	Heat Rating (Scovilles)	DR	Pot?	Description
Sweet	Red Bull	hybrid	75	Green to red	Bell	5 in. x 5 in.		BLS 0-3, TMV		Extra-large, blocky bell pepper is very thick-walled and capable of becoming just huge. Peppers begin as dark green and ripen to a candy apple red, the stage when the fruit is very sweet and most nutritious.
Sweet	Red Cherry Sweet	heirloom	78	Green to red	Cherry	1 1/2 in.			Y	Round fruit with a slight taper that turn from deep green to red and have medium-thick walls. Use in salads and for pickling.
Sweet	Shishito	heirloom	60	Green to red	Shishito	3-4 in.				This medium early, small, sweet, thin-walled glossy green pepper is popular in Japan. Plant has a spreading habit and produces prolifically. Good for garden, greenhouse, and open field growing.
Sweet	Sprinter	hybrid	60	Green to red	Bell	3 1/2 in.				Very early bell. High yields of beautifully formed, big, blocky peppers with excellent flavor. Healthy plants are robust growers and perform well regardless of temperature.
Sweet	Sweetie Pie	hybrid	60-70	Green to red		2 1/2 in. x 3 in.			Y	2017 AAS winner. These mini bells are a great way to introduce peppers to your little 'sweetie pie'. The mini bells mature from green to red and the sweet flavor can be enjoyed at any stage.

Peppers

Type	Variety	Heritage	Days	Color	Pepper Type	Size	Heat Rating (Scovilles)	DR	Pot?	Description
Sweet	Tolli's Sweet Italian	heirloom	75-85	Red	Cubanelle	5 in.				Perhaps the best overall heirloom pepper. Italian heirloom consistently produces big yields of bright red fruits that are equally good for frying, canning, eaten fresh or added to tomato sauce.
Sweet	Yummy Orange	heirloom	73	Green to orange	Bell	2 1/2 in. x 1 1/2 in.				These bright orange mini-bells are as sweet as apples. Loads of elongated fruit mature quickly on upright plants, providing plenty for eating out of hand and more for quick salads and stuffed appetizers. Our pick for sweet, full flavor and crisp, juicy texture.

Veggies

Category	Vegetable	Variety	Days	Row Spacing	Plant Spacing	Height	Pot?	Description
Companion	Bee Balm	Purple Rooster	105	16 in.	26-30 in.	3 ft.	Y	Very attractive to bees, butterflies, and hummingbirds. With both fragrant foliage and colorful flowers, this is ideal for making potpourri or herbal wreaths.
Companion	Marigold, French	Colossus	45-50	10 in.	9-12 in.	1 ft.	Y	Puts on a vibrant show when massed in a border, or garnish your veggie garden with these colorful, beneficial companion plants.
Companion	Marigold, French	Harlequin	50-60	8 in.	18-24 in.	2-3 ft.	Y	Hundreds of fantastical flowers are sweetly scented and borne exuberantly on this big, bushy, heirloom. A mood enhancer wherever it's planted, it'll bloom several months.
Companion	Marigold, French	Legion of Honor	50-60	8 in.	18 in.	1 ft.	Y	Single flowers of clear sunny gold with clean lines present a very neat appearance, accentuated by the restrained brown to maroon blotch that embellishes each ray petal near the flowers' centers.
Companion	Sunflower	Firecracker	50-60	8-12 in.	20 in.	3-4 ft.	Y	Make a great cut flower for floral arrangements and bouquets and are best used directly outdoors as a border plant, along driveways and fences or in fields by the masses.
Companion	Sunflower	Sunspot	50	8-10 in.	12-18 in.	2 ft.	Y	Produces stout plants that rarely grow taller than 2 feet. Makes a very striking container plant, but will require regular feeding, and a fairly heavy base so that it doesn't get top heavy.
Companion	Sunflower	Teddy Bear	65-75	12-18 in.	8-12 in.	18-24 in.	Y	Beautiful double, deep yellow blooms. Plants grow to only 18-24" tall, and the double blooms are very unique.
Companion	Zinnia	Benary's Giant Coral	75-90	1 ft.	9-12 in.	3-4 ft.	Y	Selected for its greater tolerance to diseases than other cut flower zinnias and longer vase life.
Companion	Zinnia	Benary's Giant Lime	75-90	1 ft.	9-12 in.	3-4 ft.	Y	Lime green semi-double to fully double blooms 3" across make excellent cut flowers.
Companion	Zinnia	Benary's Giant Wine	75-90	1 ft.	9-12 in.	3-4 ft.	Y	The premium zinnia, an absolute must for a cut flower. Excellent vase life.
Companion	Zinnia	Orange King	75-90	1 ft.	9-12 in.	2-3 ft.	Y	Zinnias make good cut flowers. In addition, they are excellent for pollinator plantings and are especially attractive to butterflies.

Companion	Zinnia	Thumbelina	75	1-2 ft.	15-18 in.	6-8 in.	Y	1963 AAS winner. Beautiful and petite, this lovely dwarf zinnia features all the colors of the rainbow in a compact, versatile plant! Perfect for borders or containers.
Herb	Basil	Blue Spice	60-90	1 ft.	1 ft.	1-2 ft.	Y	Most often used raw. It can be chopped fresh and used for salads, marinades, dressings, and dips. Use whole leaves as a garnish.
Herb	Basil	Cardinal	30-60	18 in.	1 ft.	24-30 in.	Y	Strong, deep burgundy stems hold flowers above the smooth, bright green leaves, ensuring a vibrant show throughout the summer even as you continue harvesting fresh leaves.
Herb	Basil	Cinnamon	60-90	1 ft.	14 in.	18-30 in.	Y	Uses include tomato dishes, pasta sauces, vegetables and soups. You can also use basil in the garden as a companion plant to repel aphids, mites, and tomato hornworms.
Herb	Basil	Dark Opal	60-90	18 in.	4-8 in.	16-18 in.	Y	Has beautiful lilac flowers with dark red stems. Excellent contrast with green basil. Spectacular as a garnish, in salads, or for adding color to basil vinegars. Very uniform, all purple Italian strain.
Herb	Basil	Genovese	60-90	12-18 in.	10 in.	18-24 in.	Y	An Italian variety that has extremely tender, fragrant, extra-large, dark green leaves and is superb for pesto.
Herb	Basil	Thai	60-90	8 in.	1 ft.	12-18 in.	Y	Leaves are added by the handful to Thai cuisine and also dishes of Southeast Asia.
Herb	Borage	Borage	55-75	2 ft.	1-2 ft.	18-26 in.	Y	Flowers can be used to decorate cool, summer-time party drinks and add color to salads and desserts. Both the flowers and leaves are edible and provide a light cucumber flavor.
Herb	Catnip	Lemon	35-49	2-3 ft.	18-24 in.	4 ft.	Y	Sturdy, nearly indestructible and very distinct variant of regular catnip. This one boasts white to pale pink flowers and a lemony scent, but with the same elegant silvery foliage.
Herb	Chamomile, German	German	50-60	6 in.	6 in.	20-30 in.	Y	An erect annual with small, daisy like flowers. Used to make chamomile tea and possesses a number of medicinal qualities.

Veggies

Category	Vegetable	Variety	Days	Row Spacing	Plant Spacing	Height	Pot?	Description
Herb	Chamomile, Roman	Roman	60-65	2 ft.	8-12 in.	10-16 in.	Y	Low-growing, spreading, with creeping rhizomes. Has similar uses for teas and medicine as annual chamomile varieties, but produces fewer blossoms.
Herb	Chives	Polyvert	75-85	18 in.	18 in.	12-18 in.	Y	Enhances any dish, potatoes and salads. Beautiful edible bright pink flowers.
Herb	Chives	Purly	75-85	18 in.	18 in.	18-24 in.	Y	Chopped leaves can be used to enhance the flavor of eggs, mashed potatoes or salads. In addition to using chives in the kitchen, they will also make a lovely ornamental or edging plant.
Herb	Cilantro	Caribe	55	12-18 in.	1 ft.	2 ft.	Y	Used for its fresh green foliage, its edible flowers that attract beneficial insects, and coriander - its dried seeds.
Herb	Cilantro	Cruiser	30-60	12-18 in.	1 ft.	2 ft.	Y	A versatile herb popular in Mexican and Asian cooking. Both the seeds and the leaves can be used.
Herb	Cilantro	Long Standing	55	8 in.	1 ft.	1-2 ft.	Y	Add a sprig to chicken soup or add chopped leaves to Mexican, Caribbean, or Asian dishes. The crushed seeds add intriguing flavor to stews, beans, and cookies.
Herb	Dill	Hera	45	12-14 in.	18-24 in.	16-18 in.	Y	Abundant dark blue-green foliage is produced on late bolting plants. Use leaves in various dishes for flavoring. Use seeds for pickling.
Herb	Dill	Teddy	45	12-14 in.	18-24 in.	16-18 in.	Y	Combine fresh cucumber, tomato, dill, lemon, and a dash of salt for a refreshing summer salad. Or use a few tablespoons of dill when baking salmon.
Herb	Dill	Tetra	45	12-14 in.	18-24 in.	30-36 in.	Y	High yield of fresh leaves. Use fresh leaves for salads and fish dishes. The seeds and flower heads can be used for pickling cucumbers or making chutneys.
Herb	Fennel	Fino	50-80	10-12 in.	5-8 in.	18-24 in.	Y	This heirloom variety is ideal for use in salads, roasted or use the seeds as a spice. The flat bulb and feathery leaves have a sweet anise flavor.
Herb	Fennel	Orion	80	10-12 in.	4-6 in.	2 ft.	Y	Brings a wonderful anise flavor to salads, soups, dips and roasted dishes! Large, rounded bulbs are white to very light green in color and 3-4" in diameter.

Veggies

Herb	Fennel	Perfection	72	16-18 in.	4-6 in.	2 ft.	Y	Perennial grown as an annual with a licoricey taste. Tender stalks and leaves are good for relishes, salads and garden munchies.
Herb	Lavender, English	Munstead	100-110	18 in.	2-3 ft.	12-18 in.	Y	An evergreen, perennial shrub with compact, mounding, aromatic gray foliage and abundant, fragrant, rich lavender flower spikes. Used in perfumes, sachets, oils and for medicinal purposes.
Herb	Lemon Balm	Lemon Balm	70	2 in.	20-24 in.	2-3 ft.	Y	Plant looks best when it is cut back periodically, so plan to use lots of fresh, flavorful leaves to brew tea, flavor fruit or green salad, and season fish.
Herb	Lemongrass	East Indian	160	1 ft.	2 ft.	2-4 ft.	Y	Though tough and inedible (unless finely minced or mashed in a mortar and pestle or food grinder), sections of the mature leaf blades may be used fresh or dried for flavoring teas, soups or stews.
Herb	Mint	Apple	60-90	1 ft.	12-18 in.	2 ft.	Y	Add bruised leaves to a pitcher of ice water with lemon to make the perfect summer treat. Dried leaves make a delicious warm tea that is perfect for cooler weather.
Herb	Mint	Mojito	90	4-5 in.	6-9 in.	18-24 in.	Y	The search is over for the ideal mint to flavor the popular cocktail for which it's named. Genuinely Cuban, this spectacular culinary herb provides the distinct, aromatic and complex taste to the celebrated beverage.
Herb	Mint	Peppermint	78	10-12 in.	1-2 ft.	18 in.	Y	Fresh mint leaves are a nice complement to lamb, fish, poultry, and vegetables such as peas, new potatoes, and carrots. Mint also blends well with green or fruit salads and beverages such as punch, lemonade, and tea.
Herb	Mint	Spearmint	90-200	10-12 in.	18-24 in.	2 ft.	Y	Has a strong flavor and fragrance that is released with simple bruising. The best mint variety for hot and cold drinks. Toss bruised leaves into ice water for a refreshing summer drink or add to iced tea.

Herb	Oregano	Sweet Marjoram	28-42	18 in.	1 ft.	1-2 ft.	Y	When used lightly at the end of the cooking process, adds a nice, mellow flavor to vegetables such as spinach, beans, peas, and carrots. It is good in salads and herbed butters, as well as in vinaigrettes.
Herb	Oregano	True Greek	85	2 in.	20 in.	2 ft.	Y	Highly aromatic and flavorful, combining superbly with fresh tomatoes or tomato sauces, egg and cheese combinations, marinated vegetables, meat, fish and poultry.
Herb	Parsley	Darki	75	10 in.	2-4 in.	12-16 in.	Y	A very dark green selection of the moss curled type. Use it for garnishes, salads, and cooking.
Herb	Parsley	Italian Dark Green Flat	60	12-16 in.	12-18 in.	10-12 in.	Y	Far more nutritious than the curly type. Cut the entire plant at once for drying the leaves as a spice, or harvest the individual leaves as you need them.
Herb	Parsley	Peione	75	1 ft.	3-5 in.	18-20 in.	Y	High leaf mass on thick, upright stems for easier harvest. Has larger and darker green leaves, a more uniform plant habit, and sweeter flavor.
Herb	Rosemary	Rosemary	80-100	1 ft.	18-24 in.	2-6 ft.	Y	Leaves may be used fresh or dried in a variety of cooking applications such as stews, breads, stuffings, herbal butters or vinegars. Leaves also provide excellent flavor to meats, fish and vegetables.
Herb	Sage	Broadleaf	75-90	1 ft.	4 in.	20 in.	Y	Used in Europe and America to flavor many meats, stuffings, vinegars and more.
Herb	Sage	Extrakta	80-90	12-18 in.	1 ft.	1-2 ft.	Y	Fresh sage has a richer taste than the dried form.
Herb	Savory	Summer	70	12-18 in.	12-18 in.	18 in.	Y	This versatile herb is a favorite in kitchens, adding a delicious flavor to soups, meats, and vegetables; especially good with all types of beans. Its delicate spice is similar to dill with a hint of thyme.
Herb	Sorrel	Garden	120	10-12 in.	12-15 in.	16-24 in.	Y	One of the best pot herbs, with a tangy, even slightly sour bite. Nutritious and palate-cleansing at once, it is a gourmet herb every garden deserves.

Veggies

Category	Vegetable	Variety	Days	Row Spacing	Plant Spacing	Height	Pot?	Description
Herb	Stevia	Sugarleaf	85	15-18 in.	12-15 in.	18 in.	Y	Drop a leaf into hot or cold drinks, or use it like a bay leaf to sweeten meat and vegetables dishes while they cook. Grind the dried leaves and sprinkle them into cereals and other cold dishes as you would sugar.
Herb	Thyme, Common	Thyme	90-95	6-10 in.	8-9 in.	8 in.	Y	Leaves and flowering tops can be used raw in salads, used as a garnish, or added as a flavoring to cooked foods, going especially well with mushrooms.
Herb	Thyme, Lemon	Lemon	85	4 in.	4-6 in.	6-10 in.	Y	A broad-leaved variety celebrated for its refreshing lemony fragrance and delicate mild thyme flavor that can enhance a wide array of dishes.
Herb	Wild Bergamot	Wild Bergamot	365	1 ft.	2-3 ft.	2-4 ft.	Y	Add petals to salads, sprinkle over mild fish, use in fruit salads, or to garnish desserts and drinks. Flavor is minty and spicy.
Vegetable	Eggplant	Gretel	55	3 ft.	18-24 in.	3-4 ft.	Y	2009 AAS winner. There are many creative ways to slice, marinate, grill or saute this beautifully shaped eggplant.
Vegetable	Eggplant	Hansel	55	3 ft.	2 ft.	2-3 ft.	Y	2008 AAS winner. Non-bitter and perfect for grilling or slicing thin onto pizza.
Vegetable	Eggplant	Millionaire	65	30-36 in.	2 ft.	1 ft.	Y	Use for tempura, stir-fry, baking, grilling, and pickling. Try it stir-fried with garlic, onion, tomatoes, peppers, and sesame oil.
Vegetable	Eggplant	Patio Baby	45	1 ft.	18-20 in.	16-20 in.	Y	2014 AAS winner. Loaded with rich, mild, sweet flavor, these mini-fruits are delicious baked, roasted, or sauteed, excelling as a side dish, or starring in salads or dips.
Vegetable	Onion, Bunching	Guardzman	50	1-2 ft.	2-7 in.	14 in.	Y	Wonderful in Asian cooking and salads.
Vegetable	Onion, Bunching	Tokyo Long White	70	14-20 in.	2 in.	16-28 in.	Y	Prepare fresh or cooked. Use in fried and grilled dishes and in o-konomiyaki pancakes. Popular in Japan for sukiyaki. Can be boiled and served with miso dressing.
Vegetable	Onion	Texas Grano 1015Y	110	12-18 in.	4-6 in.	2 ft.	Y	Plant produces good yields of 1 lb. size white onions. The white flesh is very sweet and flavorful.
