   Spring 2021 classes start January 23, 2021, so initiate this request early!
   - Complete the information requested in this online interface.
     The Request for Approval and Enrollment transaction is an online communication, routing the request to the instructor of record, and from there, to the Department of record for the course(s) section(s) requested. You may request approval for closed/wait-listed course sections.
     • Once approved from instructor and department, you will receive an email message directing you to a link to pay fees for the course(s) at that time. You will be notified if the enrollment cannot be processed due to physical space, registration holds, or waiting for an active-wait list to expire.
     • Upon course payment request, you may message EIP Student Services and provide additional documents regarding payment--such as uploading an approved cross enrollment certification or noting a pending student loan on file. Please have additional documents ready ahead of time.
     • Campus Directory Search located at https://apps.fullerton.edu/directory/?Search=

IMPORTANT POINTS

• Academically disqualified (DQ) students may not enroll in more than six units in Fall, Spring and Summer terms.

• Registration is on a space available basis. Only 24 units of credit earned through Open University enrollment count towards the cumulative units required for a bachelor’s degree at CSUF. Courses taken through Open University enrollment do not meet residence requirements for a bachelor’s degree at CSUF. Usually 9 units maximum of graduate level courses completed through Open University count towards a graduate degree at CSUF.

• Course Information is available online. View course descriptions and prerequisite information at http://catalog.fullerton.edu/.
