Request for Approval and Enrollment Instructions

Dates & Details – Fall 2023

STEP 1: Update/Create Student Record: This step is required every term you enroll via Open University (OU) and will generate an Open University date specific enrollment appointment.

- **New to CSUF?** Use the Create Student Record link to build your profile, generate a campus wide ID (CWID), obtain a PIN for portal login, and activate your record in the Open University plan.

- **Returning to CSUF?** If you have taken courses, or earned academic credits at Cal State Fullerton, then you have a CWID. Updating your student record may be three steps: a.) regaining access to login to the CSUF Portal, b.) updating your profile, and c.) **activating your program & term to enroll through Open University.** Use this Returning Student Guide and select the Manage Classes link for a review of steps to activate your record in the Open University plan.

STEP 2: View the current class schedule on or after March 13, 2023 at [www.fullerton.edu/schedule](http://www.fullerton.edu/schedule) and select the Fall 2023 semester from the drop down menu.

- Select “Undergraduate” for 100 to 400-level courses, or “Postbaccalaureate” for any 500-level course

- Uncheck “show open classes only” to view all sections of a course available in fall 2023.

STEP 3: Check for Holds: Registration holds will prevent enrollment via Open University.

- **Returning Students**: check the Tasks tile in your Student Homepage.

- **New to CSUF?** You should not have any holds.

Consult with one of the OU Advisors below, if necessary. All registration Holds must be addressed before requesting approval and enrollment to add classes through Open University.

STEP 4: Register for Classes: Request for Approval and Enrollment opens **August 7, 2023 at 8:00 am**:

- Go to [https://extension.fullerton.edu/ou/](https://extension.fullerton.edu/ou/) and select the Request for Approval link Fall 2023 classes start August 19, 2023, so initiate this request early!

- Complete the information requested in this online interface. Be sure any Registration Holds on your Student Record have been removed before submitting a request.

- The **Request for Approval and Enrollment** transaction is an online communication, routing the request to the instructor of record, and from there, to the Department of record for the course(s) section(s) requested.

- Once approved by the professor and department, a permit will be placed on your record, and you will receive an email message with instructions to complete enrollment in the Mange Classes tile and process payment in the Financial Account tile. You will be notified if the enrollment cannot be processed due to physical space, registration holds, or waiting for an active waitlist to expire.

- Upon course payment request, you may message EIP Student Services and provide additional documents regarding payment--such as uploading an approved cross enrollment certification or noting a pending student loan on file. Please have additional documents ready ahead of time.

Refer to the Open University site for additional information and details.

STEP 5: Process Payment. **All fees are due at the time of enrollment.** Once enrolled, select the Financial Account tile in your Student Homepage. Then, the Account Services tab, and next Account Activity to generate the amount due. Select “Make a Payment” and proceed. Open University Fees & Resources.

**IMPORTANT POINTS**

- Academically disqualified (DQ) students may not enroll in more than six units in Fall, Spring and Summer terms.

- Registration is on a space available basis. Only 24 units of credit earned through Open University enrollment count towards the cumulative units required for a bachelor’s degree at CSUF. Courses taken through OpenUniversity enrollment do not meet residence requirements for a bachelor’s degree at CSUF. Usually 9 units maximum of graduate level courses completed through Open University count towards a graduate degree at CSUF.

- Course Information is available online. View course descriptions and prerequisite information at [http://catalog.fullerton.edu/](http://catalog.fullerton.edu/).
