GLOBAL BUSINESS INSTITUTE

The Global Business Institute is a certificate program offering business-focused courses and an optional internship placement where you can personalize your experience to best fit your interests. This program is offered in partnership with the University of Pittsburgh's College of Business Administration (an AACSB accredited institution), and you will be awarded a Certificate of Study in Global Business and a transcript from the University of Pittsburgh upon successful completion of the program. The curriculum for the Global Business Institute requires 5 of the following 3 credit courses. Course availability may vary by location, and one elective in the humanities from the Global Cities course offerings may in some cases be substituted for one of the business courses:

- Global Supply Chains Management
- Global Workforce Management
- International Dimensions of Organizational Behavior
- International Economics
- International Finance
- International Marketing
- Global Internship Course

PROGRAMS FOR

ENVIRONMENTAL STUDIES & SUSTAINABILITY MAJORS

CAPA offers courses and internship placements in environmental and sustainability related fields, so that you can study abroad and get credit in your major!

SYDNEY **CAPA CENTER**

- People, Place and Culture - Environmental Debates in Australia, New Zealand and Pacific
- Resilient Cities
- Writing for Environmental Advocacy

RESILIENT CITIES & SUSTAINABILITY

Sydney is an excellent study abroad location to learn about sustainability. You'll explore contemporary issues such as climate change, air quality, water use, waste management, energy consumption, and building resilience in our cities while gaining an understanding of the complex cultural, economic, and political factors that influence environmental policymaking.

The curriculum consists of two courses: People, Place and Culture: Environmental Debates in Australia, New Zealand and the Pacific; and Resilient Cities; plus an optional internship placement and accompanying Global Internship Course and additional courses of your choice from the Global Cities curriculum.

PLUS CAPA OFFERS COURSES AND INTERNSHIP PLACEMENTS IN A **WIDE VARIETY OF DISCIPLINES**

INCLUDING BUSINESS, ECONOMICS, ART, FILM, POLITICAL SCIENCE, GLOBALIZATION, HISTORY, AND WRITING, SO THAT YOU CAN EXPLORE FIELDS OF STUDY BEYOND YOUR MAJOR!

“ ”

Overall, I cannot say enough good things about CAPA and Sydney. Being able to really immerse myself in the culture through my internship and classes was amazing.

LILLY REDING
Stonehill College, CAPA Sydney
