**SEOUL, SOUTH KOREA****\$11,995**

Korea University

Study at one of Korea's leading private universities (on par with the Ivy League) and experience life in a vibrant capital that blends high-tech modernity with ancient culture. While taking a range of courses in English, you'll discover local life by pairing up with a Korean student for an even more immersive experience.

**BUSAN, SOUTH KOREA****\$9,850**

Pusan National University

With beautiful beaches and mountains, the seaside city of Busan provides a welcoming base from which to dive into Korean culture while studying at one of the top 100 universities in Asia.

**BANGKOK, THAILAND****\$8,785**

Mahidol University

Experience the thrill of studying and living in Bangkok, Thailand's sprawling capital city and a global hub of culture, commerce, and cuisine. Though Bangkok is a major metropolis, this semester program is the least expensive of all TEAN offerings and has a surprisingly affordable cost of living.

**HO CHI MINH CITY, VIETNAM****\$12,850**

RMIT University

Study at the first international university in Vietnam while living in the country's vibrant, multicultural heart of Ho Chi Minh City. An Australian institution, RMIT is known for its cutting-edge technology, science, and design programs that provide plenty of practical training, research, and hands-on practice.

**PERTH, AUSTRALIA****\$12,965**

Murdoch University

Study at Australia's largest university campus, surrounded by native bush, with easy access to city life and plenty of beaches. Outside of class, explore the outback, indulge in the Margaret River wine region, and soak up the sun on spectacular beaches.

**INTERNSHIP IN AUSTRALIA****\$11,375**

Intern abroad in Australia, a longtime leader in the health, sports, and technology industries. While Sydney is a popular destination as an international business hub, other cities throughout the country also provide a variety of engaging internships suited for nearly every degree or interest.

- Accounting, Art and Design, Animal Care, Business, Computer Science, Education, Engineering, Environmental Studies, Healthcare, IT, Journalism, Law, Non-Profit, Psychology, Public Health, Tourism, Film

**INTERNSHIP IN NEW ZEALAND****\$11,375**

Intern in New Zealand to experience the ingenuity and creativity that has made this country a global innovator. An ideal location for creative minds seeking a cutting edge professional landscape, New Zealand's cities provide internship opportunities relevant to nearly every degree or interest.

- Accounting, Architecture, Art, Animal Care, Business, Education, Engineering, Environmental Studies, Healthcare, Hospitality, Law, Non-Profit, Public Relations, Film

# SUMMER PROGRAMS UNDER \$5,000

## CAN'T STUDY ABROAD FOR A SEMESTER?

Check out our budget-friendly summer offerings! Typically running for 3-5 weeks, each immersive program includes full tuition, housing, access to local TEAN staff, step-by-step guidance, program orientations, and more for a comprehensive, high-value experience.

### **BUSAN, SOUTH KOREA** STARTING FROM \$3,450

With beaches, mountains, and urban areas, South Korea's second-largest city of Busan boasts a little bit of everything. Take classes Monday through Thursday, then enjoy organized field trips over the weekend for a completely immersive learning experience.

### **THAILAND** STARTING FROM \$3,490

Choose from five themed programs that let you dive into hands-on course content while traveling to different destinations in Thailand. Starting in the culturally-rich city of Chiang Mai, you may find yourself then exploring northern Thailand's jungles, the tropical south, ethnic hill tribe villages, and more.

### **HO CHI MINH CITY, VIETNAM** \$3,950

Live and study in buzzing Ho Chi Minh City taking 1 course in English over 3 weeks alongside local students. Outside of class, discover the city that blends Chinese and French Colonial influences with contemporary Vietnamese culture.

### **SHANGHAI, CHINA** \$4,125

Spend your summer studying in Shanghai, an exhilarating city that allows you to explore both an ancient cultural past and an exciting future while being a global center of commerce, industry, and innovation.

### **SEOUL, SOUTH KOREA** STARTING FROM \$4,350

Study at the distinguished Korea University, known for its outstanding academic programs and beautiful campus. Choose from a range of comprehensive courses offered in English to earn credit toward your degree while experiencing the capital city of Seoul.

### **SINGAPORE** STARTING FROM \$4,480

Experience the vibrant business culture of Singapore. Take courses from a prestigious Asian university while networking with business leaders in one of the world's most active business hubs.

### **GOLD COAST, AUSTRALIA** \$4,695-\$4,995

Get to know Australia's sports culture and industry while gaining insight into sport and exercise psychology. Learn from a number of professors, professionals, and athletes while traveling across Australia through Melbourne, the Gold Coast, and Cairns.

### **VIETNAM INTERNSHIP** \$3,975

Along with a rich culture, varied landscapes, long history, and incredible cuisine, Vietnam also boasts one of Asia's fastest-growing economies, making it a particularly fascinating place to intern abroad.

#### **Career Fields:**

- Agriculture, Business, Education, Engineering, Environment, Finance, Law, Hospitality, IT, Medical and Healthcare, Social Work

### **INDIA INTERNSHIP** \$3,890

Intern in Bhubaneswar, a rapidly developing region where lower socio-economic populations are often left behind. Projects are designed to benefit the local community in a sustainable, long-term way. You'll gain entrepreneurial experience being part of an international team of students and experts, working to create impactful social enterprises.

#### **Career Fields:**

- Economic Empowerment and Finance, Environmental Sustainability, Agriculture, Education
