Titan B	December 1-31, 2019	January 10, 2020
Titan C	January 1-23, 2020	January 23, 2020
PREPAY	Beginning January 24, 2020	Due Prior to Enrollment

Anticipated/Pending Financial Aid must be enough to cover all tuition and fees. If Anticipated/Pending Financial Aid is not enough, students are required to pay the difference by the payment due date to avoid disenrollment from all classes.

Payments made online via the web are due by 11:30 PM on the due dates provided above. In Person and mail-in payments are due by 5:00 PM on the dates provided above.

If you do not register during the Titan A, Titan B and Titan C registration periods, then a Prepayment Hold will be placed on your student record. During the PREPAY period, you will be required to pay a minimum \$1,000 to remove the Prepayment Hold before you can register in courses. The balance is due immediately after enrolling.

THIRD PARTY CONTRACTS/SPONSORED STUDENTS

If a government agency, embassy or other organization will pay your registration and tuition fees, you must submit a current letter of financial guarantee or voucher to Extension and International Programs, CP-100 at least three (3) business days prior to your registration. If this letter or voucher is not received prior to your registration, you are responsible for paying your registration and tuition fees and may be subject to disenrollment if your payment is not received by the deadlines specified above.

IMPORTANT!

- You will not receive an invoice for your registration fees. To ensure your fees are paid on time and to avoid disenrollment, please check your student account regularly by logging into Titan Online via your student portal (www.fullerton.edu) and click on your Titan Online "Student Center". Select "Account Inquiry" to view any current balances due.
- The University is not responsible for delays in the U.S. Postal Service.
- You may be subject to disenrollment from ALL of your classes if your payment is not received by the due date. If you switch/change your enrollment units, you must pay additional fees by the due date. If payment in full is not received, all your classes are subject to disenrollment.
- A \$25.00 Late Registration Fee will be assessed for students who register on or after the session start date.

FEES AND DEBTS OWED TO THE INSTITUTION

Should a student or former student fail to pay a fee or a debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt" until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the university are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the class start date gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or to receive official transcripts of grades or other services offered by the institution from anyone owing fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge reasonable attorney fees if litigation is necessary.

If a person believes he or she does not owe all or part of an asserted unpaid obligation that person may contact Extension and International (EIP) Student Services office.

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 – 66028.6 of the Education Code).
