FEE PAYMENT INSTRUCTIONS

TITAN REGISTRATION PAYMENT DUE DATES

For payment information, please visit the Student Business Services Important Dates.

Anticipated/Pending Financial Aid must be enough to cover all tuition and fees. If Anticipated/Pending Financial Aid is not enough, students are required to pay the difference by the payment due date to avoid disenrollment from all classes.

Payments made online via the web are due by 11:30 PM on the due dates provided above. In Person and mail-in payments are due by 5:00 PM on the dates provided at Student Business Services Important Dates webpage.

If you do not register during the Titan A, Titan B and Titan C registration periods, then a Prepayment Hold will be placed on your student record. During the PREPAY period, you will be required to pay a minimum $1,000 to remove the Prepayment Hold before you can register in courses. The balance is due immediately after enrolling.

THIRD PARTY SPONSORSHIP

Third Party Sponsorship Students who are being sponsored by a third party should contact EIPFinance@fullerton.edu directly to setup the sponsorship account. Sponsorship information should be submitted at least one week prior to registration. It is the student’s responsibility to ensure EIP has valid sponsorship information on file. The following information should be included on the sponsorship letter:

- Sponsor’s complete name and address
- Billing address
- Contact information: name of contact person, email address, and phone number
- Name of student(s) being sponsored
- Approved term and amount
- Approved course or program title
- Sponsorship Restriction

Payment should be made within 30 days of invoice date. Students will be liable for any balances not covered by the sponsorship.

IMPORTANT!

- You will not receive an invoice for your registration fees. To ensure your fees are paid on time and to avoid disenrollment, please check your student account regularly by logging into Titan Online via your student portal (www.fullerton.edu) and click on your Titan Online “Student Center”. Select “Account Inquiry” to view any current balances due.
- The University is not responsible for delays in the U.S. Postal Service.
- You may be subject to disenrollment from ALL of your classes if your payment is not received by the due date. If you switch/change your enrollment

FEES AND DEBITS OWED TO THE INSTITUTION

Should a student or former student fail to pay a fee or a debt owed to the institution, the institution may “withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food or merchandise or any combination of the above from any person owing a debt” until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the university are obligated for the payment of fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the class start date gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or to receive official transcripts of grades or other services offered by the institution from anyone owing fees or another debt to the institution. The institution may also report the debt to a credit bureau, offset the amount due against any future state tax refunds due the student, refer the debt to an outside collection agency and/or charge reasonable attorney fees if litigation is necessary.

If a person believes he or she does not owe all or part of an asserted unpaid obligation that person may contact Extension and International (EIP) Student Services office.
