Inviting Family to Visit the United States

Extended Family and Domestic Partners
International students who wish to assist their extended family (parents, grandparents, siblings, aunts, uncles, etc.), domestic partners or friends, can facilitate the process of their visitor visa application by doing the following (optional):

1. **Write a letter of Invitation**
   Please refer to the template letter to prepare a customized letter. Include a statement of your status, the purpose of the visit, the relationship of the individual, and the length of time the family member(s) will be visiting the U.S. Mention if the individual has a job in the home country to which they plan to return. If you plan to provide for the family member’s living and travel expenses while in the U.S., include this in the letter.

2. **Copies of Documents**
   Send a CSUF enrollment verification letter (available by request from Registration and Records) and copies of your immigration documents (passport, visa, I-94, I-20 or DS-2019) to your relatives for their visa application.

3. **Commencement announcement**
   If relatives are coming for commencement or graduation ceremony, it is a good idea to provide a document showing when the University commencement will take place, e.g. printout from CSUF website and an email showing you are approved as a candidate for graduation.

Providing family members with all of the above papers may improve their chances of obtaining a visa. However, there is no guarantee a visa will be issued. The success of the applicant’s visa application is determined by the U.S. consular officer.
